

IRAH REESE LIZARDO

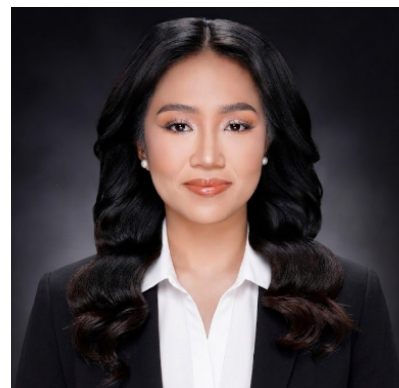

INFORMATION TECHNOLOGY

Technological Institute of the Philippines (TIP)

Address: 1486 Quirino Street Tondo, Manila

Email Address: irahlzrd@gmail.com

Cellular No.: +639458171374

PROFESSIONAL SUMMARY

Motivated Information Technology graduate majoring in Cybersecurity from the Technological Institute of the Philippines seeking an entry-level position where I can apply my technical skills, problem-solving abilities, and knowledge of cybersecurity, frontend development, and UI/UX design while continuously learning and contributing to organizational success.

EDUCATION

Bachelor of Science in Information Technology, Major in Cybersecurity

Academic Distinction: Cum Laude

GWA: 1.52

June 2026

Academic Honors:

- Dean's Lister (2022–2026, multiple semesters)
- VPAA Lister (1st Semester 2024–2025 & 2023–2024)

RELEVANT EXPERIENCE

IT Student Trainee — GSIS Head Office (GIP Program)

January 2026 – May 2026

Standards, Methods & Architecture Department / Application Management Office

- Assisted in project monitoring tasks using ClickUp, including building and encoding the product backlog list and tracking sprint progress under an Agile framework.
- Introduced to Agile methodology and ClickUp dashboard; explored and configured project monitoring workflows and product backlog management.
- Encoded and maintained the finalized product backlog list in ClickUp, correcting inaccurate entries and aligning data with project requirements.
- Attended cross-departmental meetings (SMAD/SAFES Teams meetings) and Kick-Off meetings alongside supervisors to support project coordination.
- Encoded and organized employee attendance records; assisted with scanning, filing, and encoding documents in MS Word and related tools.

DESIGN PROJECTS & RESEARCH

• E-Responde: Smart Emergency Alert & Crime Reporting System (Capstone)

Mobile and web-based emergency reporting system providing real-time incident reporting and automated alerts to authorities. Enhanced community safety through fast communication, location tracking, and secure data processing.

• T.I.P Arlegui and Casal Network Layout & Security Design

Designed campus network subnetting, VLANs, firewall rules, and a secure VPN connection between two campus sites. Created the full subnetting scheme using CIDR for efficient IP allocation and network scalability.

SEMINARS AND TRAININGS ATTENDED

- WAVE OF THE FUTURE: Trends, Threats, and Protective Measure in Edge Computing
Google Meet
October 13, 2025
- Across the Cyber-Verse With Great Power Comes Great Cyber-Responsibility
Google Meet
October 04, 2025

- **Blocks of the Future: Unleashing Blockchain Innovation**
Google Meet
September 27, 2025
- **Beyond the Clouds : Learning the Art of Cloud Computing**
Google Meet
September 19, 2025
- **IOT Revolutions: Smarter Solutions for a Smarter World**
PC-12 Seminar Room - Technological Institute of the Philippines
September 11, 2025

EXTRA AND CO-CURRICULAR ENGAGEMENT AND VOLUNTEER WORK

- Dean's Lister 1st sem 2025-2026
- Dean's Lister 2nd sem 2024-2025
- VPAA Lister 1st sem 2024-2025
- Dean's Lister 1st sem 2024-2025
- Dean's Lister 2nd sem 2023-2024
- VPAA Lister 1st sem 2023- 2024
- Dean's Lister 2nd sem 2022-2023

OTHER SKILLS

Technical Skills

- **Project Management:** Experienced in task tracking, sprint monitoring, backlog creation, and workflow coordination using ClickUp within Agile/Scrum environments
- **Frontend & Mobile Development:** Knowledgeable in developing responsive web and mobile applications using HTML, CSS, JavaScript, React, Next.js, React Native, Node.js, Bootstrap, and Firebase
- **AI Literacy:** Familiarity with AI tools and their practical application in tech and project workflows
- **Data Analysis:** Organizing, encoding, and interpreting data records; attendance and inventory tracking

Professional Skills

- **Critical Thinking & Complex Problem-Solving:** Identifying issues and applying logical solutions in technical and operational contexts
- **Adaptability:** Quickly adjusted to new tools, processes, and team dynamics in a government IT environment
- **Emotional Intelligence:** Collaborative and professional in communicating with supervisors and interdepartmental staff
- **Collaboration & Teamwork:** Active contributor in team settings, including cross-departmental coordination at GSIS
- **Attention to Detail:** Demonstrated through accurate document indexing, data encoding, ClickUp backlog management, and the creation of wireframes and user interfaces.
- **Continuous Learning:** Proactively develops new knowledge and embraces emerging technologies and frameworks
